

## Requirements for the publication of the reports

Abstracts should be sent to an email [pesconf@nuczu.edu.ua](mailto:pesconf@nuczu.edu.ua), completed in MS WORD for WINDOWS. The text is typed with the fields: upper and lower - 2.5 cm; left and right - 3 cm; header - 0, footer - 1.5 cm; without page numbering; binding - 0; font - Times New Roman; font size - 12; paragraph - 1.25 cm; the line spacing is single, the size of A4 pages (210x297 mm).

The material of the scientific report is presented in the following sequence:

- UDC (bold, top left);
- One line below should be left empty. Next line should be mentioned the title of the report (capital letters, bold, center);
- Two lines below (one line if left empty) - surname and initials of the authors (by the center), scientific degree, academic title, place of work;
- Two lines below (one line if left empty) - the text of the report;
- Two lines below (one line if left empty) - the list of references made according to DSTU 8302: 2015 (the word **REFERENCES** is written in bold in the center of the page).

Abbreviations and symbols must comply with current international standards. The alphabetic characters included in the formulas must be deciphered with units of measurement. For formulas should be used a consecutive Numbering (the number is written in parentheses at the right border of the text). Formulas, tables, and figures are separated from the text by blank lines.

The figure captions are situated under the figures and the titles of the tables are written 12 bold type.

The abstract should contain 2 full pages of text, with illustrations, tables and bibliography.

## Getting to the University

At the railway station go the metro station "Pivdennyi Vokzal" and take the train to "Maidan Konstytucii" metro station. Then make a transit to another line to the "Historical museum" station and take train to the "Pushkinskaya" station.

Scheme of how to get from the Pushkinskaya metro station to the university (94 Chernyshevskaya St.)

INFORMATION SHEET  
about the International Scientific and Practical  
Conference

«PROBLEMS OF EMERGENCY  
SITUATIONS»

Kharkiv – 2020

## DEAR COLLEAGUES!

**On May 20, 2020, the National University of Civil Defense of Ukraine holds an International Scientific and Practical Conference «Problems of Emergency Situations».**

The conference will be held at the National University of Civil Defence of Ukraine at: str. Chernyshevskaya, 94, Kharkiv, 61023, Ukraine.

### Purpose of the conference:

discussion of issues related to the problems and prospects of the latest developments and technologies implementations, aimed to prevent emergencies, minimizing the consequences in the field of civil protection.

### Organization of the conference

Scientists from higher education institutions of Ukraine and abroad are invited to participate in the conference.

During the conference, a plenary session will be held and thematic sections will be organized.

The languages of the conference are: Ukrainian, Russian and English.

To participate in the conference, it is necessary to submit abstracts and application for participation in the conference in the Organizing Committee, **by March 12, 2020**

Abstracts of the scientific papers, submitted in time and prepared according to requirements, will be published in the conference proceedings. The Organizing Committee reserves the right to reject decision to publish the abstracts.

### Thematic areas of the conference

**Section 1.** Emergency prevention.

**Section 2.** Scientific and practical aspects of monitoring and management in the field of civil protection.

**Section 3.** Emergency response and elimination of their consequences.

**Section 4.** Chemical technology and engineering, radiation and chemical protection.

**Section 5.** Environmental safety and labor protection.
