

Requirements for the publication of the abstracts

Abstracts should be sent to the email pesconf@nuczu.edu.ua.

Technical requirements for abstract formatting:

Margins: bottom, top – 2.5 cm; right, left – 3 cm – 3 cm.

Editor: MS Word. *Headset:* Times New Roman, *pins (size)* 12, *spacing* – 1, *paragraph* – 1.25 cm

The size of A4 pages (210x297 mm). The text is typed without divisions.

The material of the scientific report is presented in the following sequence:

- UDC (bold, top left); One line below should be left empty.
- The title of the report (capital letters, bold, center); One line is left empty.
- Surname and initials of the authors (center alignment), scientific degree, academic title, place of work; One line is left empty.
- The text of the report. One line is left empty.
- References made according to DSTU 8302: 2015 (the word **REFERENCES** is written in bold in the center of the page).

Abbreviations and symbols must comply with current international standards. The alphabetic characters included in the formulas must be deciphered with units of measurement. A consecutive numbering (the number is written in parentheses at the right border of the text) should be used for formulas. Formulas, tables, and figures are separated from the text by blank lines.

The figure captions are situated under the figures and the titles of the tables are written 12 bold type.

The abstract should contain 2 full pages of text, with illustrations, tables and bibliography.

CONFERENCE MATERIALS

Accepted materials will be published in the conference book of abstract. The rules of registration of the abstract are available at the link <http://pesconf.nuczu.edu.ua>.

ADDITIONAL PUBLICATION OPPORTUNITIES

According to the contract with Trans Tech Publications Ltd (Zurich, Switzerland) about publication of the International Scientific Conference materials on «**Problems of Emergency Situations**» (PES-2022), it is possible to publish articles in a foreign indexed periodical. The articles of the conference participants that meet the requirements will be published in a separate volume of the scientific journal, indexed by the **Scopus** scientometric database. The estimated cost of the article is **85 EUR**. The final cost will be determined after specifying the number of articles.

6-page English-language articles are accepted for publication according to the requirements of the publisher. The condition of publication is the mandatory presence of at least one of the authors of the article at the conference. **Requirements for the design of articles are posted at <http://pesconf.nuczu.edu.ua/en/important-dates-and-requirements>**. Please note the additional thematic direction in the scientific program of the conference – «**Polymer chemistry**», «**Surface chemistry and adsorption**», «**Crystallography**», «**Materials science**», «**Testing of materials**».

To authors of publications! Please provide charity assistance to the organizers in the amount of 350 UAH. (БО БФ «Становлення рятувників», IBAN UA 843516290000000002600611247, МФО 351629, ЄДРПО 25863371, **Payment Purpose:** Charity for Statutory Issues Solution).

INFORMATIONAL LETTER
about the International Scientific and Practical
Conference

«PROBLEMS OF EMERGENCY
SITUATIONS»

Kharkiv – 2022

DEAR COLLEAGUES!

On May 19, 2022, the National University of Civil Defence of Ukraine holds an International Scientific and Practical Conference «Problems of Emergency Situations».

The conference will be held at the National University of Civil Defence of Ukraine at: str. Chernyshevskaya, 94, Kharkiv, 61023, Ukraine.

Purpose of the conference:

discussion of issues related to the problems and prospects of implementation of the latest developments and technologies aimed at preventing the occurrence, timely response and minimization of the consequences of emergencies.

Organization of the conference

Scientists from higher education institutions of Ukraine and abroad are invited to participate in the conference.

During the conference, a plenary session will be held and thematic sections will be organized.

The languages of the conference are: Ukrainian and English.

To participate in the conference, it is necessary to submit abstracts and application for participation in the conference to the Organising Committee, **by March 1, 2022**

Abstracts of the scientific papers, submitted in time and prepared according to requirements, will be published in the conference proceedings. The Organizing Committee reserves the right to reject to publish the abstracts.

In the event of a negative epidemiological situation, plenary and sectional meetings will be held in conference video mode.

Thematic areas of the conference

Section 1. Emergency prevention.

Section 2. Scientific and practical aspects of monitoring and management in the field of civil protection.

Section 3. Emergency response and elimination of their consequences.

Section 4. Chemical technology and engineering, radiation and chemical protection.

Section 5. Environmental safety and labor protection.

ORGANISING COMMITTEE

Head of the Organising Committee:

SADKOVYI Volodymyr, Doctor of Science in Public Administration, Professor, Rector of the National University of Civil Defence of Ukraine, Kharkiv, Ukraine 

Organising committee:

ANDRONOV Volodymyr, Doctor of Technical Sciences, Professor, Honored Science and Technology Figure of Ukraine, National University of Civil Defence of Ukraine, Kharkiv, Ukraine 

ANSZCZAK Marcin, EngD, Main School of Fire Service in Warsaw, Poland 

BANAKH Viktor, Doctor of Technical Sciences, Professor, Zaporizhzhia National University, Ukraine 

BAMBURA Andrii, Doctor of Technical Sciences, Professor, State Enterprise «State Research Institute of Building Constructions», Ukraine 

DADASHOV Ilgar, Doctor of Technical Sciences, Academy of the Ministry of Emergency Situations of the Republic of Azerbaijan, Baku 

DANCHENKO Julia, Doctor of Technical Sciences, Professor, National Academy of the National Guard of Ukraine, Ukraine 

FATIH Makhmet Yemen, Doctor of Technical Sciences, Burdur Mehmet Akif Ersoy University, Turkey 

FOMIN Stanislav, Doctor of Technical Sciences, Professor, Kharkiv National University of Civil Engineering and Architecture, Ukraine 

GOLINKO Vasily, Doctor of Technical Sciences, Professor, Dnipro University of Technology, Ukraine 

HOLODNOV Oleksandr, Doctor of Engineering, Professor, Ltd. 

LAPENKO Oleksandr, Doctor of Technical Sciences, Professor, National Aviation University, Ukraine 

MAMONTOV Igor, PhD, Honored Lawyer of Ukraine, Kyiv National University of Civil Engineering and Architecture, Ukraine 

OTROSH Yurii, Doctor of Technical Sciences, Professor, National University of Civil Defence of Ukraine, Kharkiv, Ukraine 

PETRUK Vasyi, Doctor of Technical Sciences, Professor, Institute of Environmental Safety and Monitoring, Ukraine 

RYBKA Evgeniy, Doctor of Technical Sciences, Senior researcher, National University of Civil Defence of Ukraine, Kharkiv, Ukraine 

ROMIN Andrii, Doctor of Science in Public Administration, Professor, National University of Civil Defence of Ukraine, Kharkiv, Ukraine 

SURIANINOV Mykola, Doctor of Technical Sciences, Professor, Odessa State Academy of Civil Engineering and Architecture, Ukraine 

SHMUKLER Valery, Doctor of Technical Sciences, Professor, O.M. Beketov National University of Urban Economy in Kharkiv, Ukraine 

VASYUKOV Sergii, PhD, The Istituto Nazionale di Fisica Nucleare INFN, Rome, Italy 

All materials (applications, articles, abstracts) should be sent exclusively to the Organising Committee email address! Submissions after March 1, 2022 will not be published!
